

# NOTICE

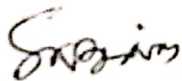

Date-11/11/2020

Further to our notice dated 10/10/2020 and subsequent visit to various towers, an all out efforts have been taken up by Board to clear the common areas.

We observed with pleasure that some residents have cleared respective common areas of their own and maintaining it in an excellent way. Housekeeping staffs has also been put into action to clear the common areas; however residents who have not yet taken any action are requested to clear the common areas as soon as possible and while doing so may take help from our housekeeping staffs.

It is observed that some unusable bicycles, motorbike and scooters are dumped in common areas especially in front of meter box areas. Owners of the above are requested to clear immediately as it is a safety hazards.

Waste material generated during renovation work in respective apartment should be cleared regularly by the flat owner within one week. This is a critical issue and must be taken up with all seriousness.
